Overview

Mountain Pathways Summer Camp provides children between the ages of 3 and 11 with a wealth of experiences, activities, and projects in an environment which is relaxed and nurturing, yet stimulating. The children engage in hands-on learning activities, exposing them to science, practical life skills, and sensorial explorations. They also engage in various art projects, games, exploring nature, and special classes. Weekly presenters provide on-site lessons and entertainment for the campers.

Enrollment Procedure

Campers are enrolled by the week, on a first come, first serve basis. Complete the registration and emergency information, one per child. Please complete both pages of this form and return it along with your non-refundable deposit of \$50. Photocopies of the form are accepted. Completion of the registration form does not guarantee a space for camp. The camp agrees to reserve space for the child for the periods specified based upon space availability. However, if for any reason registration cannot be accepted by Mountain Pathways Montessori School and the registrant, your deposit will be refunded in full.
